The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application, with appropriate fee, to this Service Center. Additional information about eligibility for adjustment of status may be obtained from the local USCIS office serving the area where he or she lives, or by calling 1-800-375-5283.

If the person for whom you are petitioning wishes to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

The Small Business Regulatory Enforcement and Fairness Act established the Office of the National Ombudsman (ONO) at the Small Business Administration. The ONO assists small businesses with issues related to federal regulations. If you are a small business with a comment or complaint about regulatory enforcement, you may contact the ONO at www.ombudsman.sba.gov or phone 202-205-2417 or fax 202-481-5719.

NOTICE: Although this application/petition has been approved, USCIS and the U.S. Department of Homeland Security reserve the right to verify the information submitted in this application, petition and/or supporting documentation to ensure conformity with applicable laws, rules, regulations, and other authorities. Methods used for verifying information may include, but are not limited to, the review of public information and records, contact by correspondence, the internet, or telephone, and site inspections of businesses and residences. Information obtained during the course of verification will be used to determine whether revocation, rescission, and/or removal proceedings are appropriate. Applicants, petitioners, and representatives of record will be provided an opportunity to address derogatory information before any formal proceeding is initiated.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
