The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. The information submitted with the petition shows that the person for whom you are petitioning is not eligible to file an adjustment of status application at this time.

Additional information about this petition is available on the USCIS website. The USCIS website provides information about the person for whom you are petitioning and the petitioning process.

Until the person for whom you are petitioning files an adjustment application, or application for an immigrant visa, this approved petition will be stored in this office. If the person for whom you are petitioning decides to apply for an immigrant visa, the United States Department of State should be notified. The person should file Form I-876, Application for Action on an Approved Application or Petition, to request that the petition be forwarded to the Department of State for an immigrant visa at the U.S. Consulate in the person's home country.

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to process the visa petition. If the person for whom the approved petition is for is not in the United States, the NVC will forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

The Small Business Regulatory Enforcement and Fairness Act established the Office of the National Ombudsman (ONO) at the Small Business Administration.
