The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-495, Application for Permanent Residence. A copy of this notice should be submitted with the application, with appropriate fee, to this Service Center. Additional information about eligibility for adjustment of status may be obtained from the local USCIS office.

If you are petitioning for a person who is not currently in the United States, you should apply for a visa outside the United States based on this petition. The petitioner should file form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the Department of State National Visa Center (NVC). The NVC will process the application and issue a visa. The visa will be sent to the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.
