The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. The information submitted with the petition shows that the person for whom you are petitioning is not eligible to file an adjustment of status application at this time.

Additional information about eligibility for adjustment of status may be obtained from the local USCIS office serving the area where the person for whom you are petitioning lives.

Until the person for whom you are petitioning files an adjustment application or an application for an immigrant visa, this approved petition will be stored in this office. If the person for whom you are petitioning decides to apply for an immigrant visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC is the only office in which consular posts is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.  
The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.
