The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application to Register Permanent Residence or Adjust Status. A copy of this notice should be submitted with the application, with appropriate fee, to this Service Center. If the person for whom you are petitioning decides to apply for a visa to the United States based upon this petition, the petitioner should file Form I-824, Application for Action on an Approved Petition or Petition to Reopen. If you send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not itself grant any immigrant status or place a guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.
